### **MSSI SELECTED AS AN AMCOM EXPRESS BPA WINNER**

On April 28, 2009, the Army's Aviation and Missile Command (AMCOM) Contracting Services Division notified MSSI that it was selected as the winner of a Prime Contractor Blanket Purchase Agreement (BPA) award for the Expedited Professional and Engineering Support Services (EXPRESS) Program. The AMCOM EXPRESS Program is a multiple-award BPA that provides logistical advisory and assistance services (including all supervision, labor, incidental materials, and travel necessary to perform) in support of the AMCOM and its customers. Being selected as a Prime BPA holder allows us the exclusive right to compete with five (5) other companies for AMCOM logistics-related contract opportunities over for the next five (5) years. Team Millennium EXPRESS includes 51 companies who provide products and services to AMCOM.
