MSSI Awarded Administration and Project Support Contract In Support Of  
The US General Services Administration

Huntsville, AL – The US General Service Administration (GSA) has awarded Millennium Systems Services, Incorporated (MSSI) a time and material contract to provide procurement and acquisition management, administration and high level project support for GSA Atlanta, valued at more than \$454.9 Thousand. This 8(a) direct award contract provides a full range of contracting/acquisition functions to include: defining requirements; statement of work development; preparation of solicitation; evaluation of proposals; and tracking and monitoring performance. MSSI also provides systems administration services in support of GSA's Tapit and other data bases and high level project planning and management to the GSA Federal Acquisition Service, Atlanta, GA which services customers in eight southeastern states.

MSSI is a Huntsville, Alabama based service disabled veteran owned small business providing logistics, technical, and programmatic services support to the US Government, the Department of Defense, and other service contractors.
