MSSI Awarded GSA LogWorld Contract

Huntsville, AL – The General Services Administration has awarded Millennium Systems, Services Incorporated (MSSI) a five-year Federal Supply Schedule contract, GS-10F-0594N, under the LogWorld Federal Supply Service Contract. This is an Indefinite Delivery Indefinite Quantity (IDIQ) Multiple Award Schedule contract that provides for Firm Fixed-Price (FFP) or Labor Hour task orders to be placed using the labor categories and ceiling rates defined in the contract. Order type is at the discretion of the ordering agency. There is no contract ceiling or maximum task order size for the contract.

Using the Logistics Worldwide schedule offers many advantages to MSSI customers to include:

- 5-Year Contract Ordering Period Plus 5 Option years
- Available to ALL Federal Agencies and Authorized Organizations
- No CBD Synopsis is Required - All Competitive Requirements Have Been Met
- Reduced Lead Time In Obtaining Services
- ID/IQ Contract with No Ceiling & No Maximum Order Limitations
- Labor Categories/Rates for FFP and Labor Hour Task Orders
- Provides For Teaming & Subcontracts
- Direct Customer/Contractor Relationship - No Transfer of Funds to GSA Required
- Blanket Purchase Agreements (BPAs) May Be Established

MSSI is a service disabled veteran owned small business providing logistics, technical and programmatic services support to the US Government, the Department of Defense, and other service contractors.
