Millennium Systems Services (MSSI) was recognized by the Huntsville/Madison County Chamber of Commerce for outstanding service to the community and country as winner of the 2009 “Heroes of Small Business” award for Business Services on September 1, 2009. This prestigious award is part of the Chamber’s Annual Small Business Awards Celebration, which is in its 24<sup>th</sup> year. The spirit of the program is to recognize individuals and small businesses that make a positive impact upon the business and local communities through their products, services and business practices.

This was the first year MSSI was nominated. MSSI was one of 90 companies evaluated in the Business Services category. Areas evaluated included: community involvement, financial strength, business goals and practices, growth, quality of service and products, workforce development, and service to the country.

The evaluation process started in May 2009 and culminated with the announcement and presentation of awards on September 1, 2009 at the awards banquet. The banquet was attended by over 1500 people including mayors, community leaders, congressmen and many other businesses.

MSSI will now be eligible to compete in the National Small Business Award program.
